

# Wei Wei

## Education

2009

**Undergraduate**, *Shanghai Jiaotong University*, Shanghai.

Department of Computer Science and Engineering

2009

**GPA & Ranking**, Overall GPA: 3.84 (89.84), Major GPA: 3.82 (89.59), Ranking: 5/130.

Major Courses: Algorithm, Computer Networking, Mining of Massive Dataset and so on.

## Projects

2012.4-6

**Wireless Data Center Network (WDCN)**, *Survey*.

Research achievements: [1] and English journal version is under way.

2012.6-8

**Pre-Alert Management System**, *Conference*.

Research achievements: [2] and I am responsible for the pre-alert part.

2012.6-8

**Channel Allocation in WDCN**.

Considering adding MIMO antennas to Wireless DCN.

## Awards and Honors

2010.10

**Scholarship**, *Academic Excellence Scholarship (2<sup>nd</sup> class) of Shanghai Jiao Tong University*.

2011.9

**Scholarship**, *Academic Excellence Scholarship (2<sup>nd</sup> class) of Shanghai Jiao Tong University*.

2011.9

**Modeling**, *Third Prize of Mathematical Contest in Modeling in Shanghai*.

2011.11

**Three good student**, *Three Good Student of Shanghai Jiao Tong University*.

## Experience

2011.9

**Member**, *Advanced Network Lab (ANL)*.

ANL is directed by Prof. Guihai Chen and its research interest is computer networking.

2012.3

**Member**, *Data Center Networking Group of ANL*.

DCN group is directed by Xiaofeng Gao and Guihai Chen and focus on issues regarding DCN.

2012.6

**Student Member**, *Association for Computing Machinery (ACM) Student Member*.

2012.6

**Student Member**, *China Computer Association (CCF) Student Member*.
