Education

|	
2009.9–Present	**Undergraduate**, *Shanghai Jiao Tong University*, Shanghai, *Junior*. Department of Computer Science and Engineering

---

Awards and Honors

2010.10	Academic Excellence Scholarship (2nd class) of Shanghai Jiao Tong University.
2011.4	Second Place of *Xiwang Cup* (top football competition in SJTU).
2011.9	Third Prize of Mathematical Contest in Modeling in Shanghai.
2011.10	Academic Excellence Scholarship (2nd class) of Shanghai Jiao Tong University.
2011.11	Merit Student of Shanghai Jiao Tong University.
2012.5	Champion of *Xiwang Cup* (top football competition in SJTU).

Experience

2010.4–Present	**Referee**, *SJTU Football Association (SJTUFA)*. Work as a referee for more than 40 matches.
2010.9–Present	**Player**, *SEIEE Football Team*. Our team won 2nd place in 2011 and won 1st place in 2012. Since 2011.9, I am one of the main players in our team.
2010.10.2–17	**Volunteer**, *Shanghai Expo*. I am very happy that I can help a lot of people there.
2011.6–2012.6	**President**, *SJTUFA*. SJTUFA runs Xinsheng Cup (for freshmen), Xiwang Cup (for all students) and Zhiyuan Cup (for graduate students). As the President of SJTUFA, I learned a lot ranging from how to communicate with each other and how to assign works to others and how to coordinate with each other...
2011.6–Present	**Member**, *Advanced Network Lab (ANL)*, CS, SJTU. Learn how to do research. My supervisor is Guihai Chen, Xiaofeng Gao and Fan Wu.
2011.7–Present	**Member**, *Data Center Research Group*, ANL, CS, SJTU. Dicuss about data center networks every week.
2012.6–Present	**Student Member**, *China Computer Association (CCF) Student Member*.
2012.6–Present	**Student Member**, *Association for Computing Machinery (ACM) Student Member*.

Languages

TOEFL	Reading: 29, Listening: 30, Speaking: 23, Writing: 29. Total: 111.
CET-4	Listening: 224, Reading: 224, Writing: 119, Comprensive: 62. Total: 629.
CET-6	Listening: 214, Reading: 244, Writing: 85, Comprensive:64. Total: 607.

Computer skills

Programming Languages	Master C/C++, Python, Matlab. Also familiar with html, javascript.

Interests

Animation	One Piece is my favorite and I can also learn a lot from Luffy.
Soccer	I really enjoy playing soccer together with my friends. I win a lot of awards with my teammates and recently the school of electrical engineering and electronics just won the champion of *Xiwang Cup* in SJTU.
Programming	Sometimes, I would like to program some useful tools for me to make it more easier to do something. For example, I once write a small program that can help me synchronise with the slides that instructors upload to the course website.

Research Interest

Data Center	Utilizing wireless in data center networks. Optimization problems.
Others	Although I currently mainly focus on DCNs, I am also very interested in other topics such as AI and data mining. After taking *Mining of Massive Datasets* courses, I feel that they are also really interesting.

Publications

Wei Wei, Xuanzhong Wei, Xiaofeng Gao, and Guihai Chen. Wireless communication technology in data center networks. *ZTE Communications*, 2012. in submission.
